Auction Rules

- * To place a silent auction bid, legibly print your name and phone number in the starting bid space or on the line following the highest current bid.
- * Indicate your bid in the appropriate space on your bidding row. All new bids must be higher than the previous bid by at least the minimum raise indicated at the top of the bid sheet, in order to be valid.
- * A bid is construed as a legal agreement to purchase the listed item(s) at the amount indicated. All bidders must be 18 years of age or above.
- * All winning bids must be settled before the end of the Silent Auction Event by December 3rd by cash, check or credit card.
- * In order to protect the integrity of all bidders, please do not scratch out bids. Bids may only be voided by an auction volunteer or staff member due to valid bidding error. Please seek assistance if you find an invalid bid or make a mistake during bidding.
- * The auction will close at 7:30 p.m., at which time the highest bid on each bid sheet will be declared the winner. If conflict arises over identifying the last valid bid for an item(s), auction staff has the sole discretion to determine the winner or to impose an alternate method of closing the item for interested parties, including, but not limited to, a sealed final bid.

Guidelines for Silent Auction Security

- * Please do not remove or relocate auction items. If you wish to look more closely at an item than placement allows, please seek the assistance of auction staff or volunteers.
- * Please refrain from touching paintings.

Silent Auction Restrictions and Other Details

- * All known or apparent details of items have been indicated on the bid sheets. All art work is sold as is. No returns please.
